### Mathilda's Winter Poetry Competition

Mathilda has delighted us with her beautiful poems, which have featured regularly in the magazine. She would like others to have a go and will be running a competition. She says:

This year, for the school magazine, we are aiming to get an issue out before the Christmas Holidays. We are going to be holding a Winter Poetry Competition, and would like as many people to join in as possible.

The poem must be your child's, not yours, or one that you have found on the internet or in a book. The poem must be written originally, and you must not help your child in any way. The theme is **WINTER!!!**

Please send your poem in by **Monday 7th December**. Mrs Lillitos and I will be judging the competition, and will chose one winner and three runners up. Please think about participating. Poems sent after the 7<sup>th</sup> December will not be included.

**Many thanks,  
Mathilda M**
