# Hello Bramhope pupils!

## Message from Mrs Judd

It has been an absolute privilege to work with the amazing, young Bramhope Buzz Team (Mathilda, Maisie, Alice B, Alice C, Jake, Kinza, George, Bethany and Sammy). The young people have taken on individual pages and given them their own more personalised look. They had amazingly clear ideas about the design for their pages, we hope you enjoy the new look Buzz.

We are hoping to continue to work together in September, but we are always looking for new members of the team so do get in touch if you are interested.

It is time to say a **huge farewell** to our squirrel loving poet Mathilda. She was one of the first to join the team and her hard work and enthusiasm has been wonderful. Thank you for all your contributions which began in the early Lockdown issues of the magazine. We wish you all the very best for your adventure into High School!

## To a Seagull

By Mathilda 5/6L

As I soared forth on gusts of wind,  
The blanket of blue below me grinned,  
The salty air, the clear, fresh spray,  
Told me I was lucky to see this day,  
The sun so bright, the sky so clear,  
The calm lapping of water, I could hear,  
The gentle breeze, it pushed me on,  
Over the ocean, the land was gone,  
And if I perished – if I did die,  
This would be where my heart would lie.

The gentle hooting of an owl,  
Was deafened by a moaning howl,  
Like a pack of wolves, the wind did bluster,  
Sending me in a terrible fluster,  
I was battered about by a forceful blow,  
That only seemed to grow and grow,  
The waves crashed down on a cargo ship,  
And caused the whole boat to tumble and flip,  
But oh, when a voice in the mists did sigh,  
I glimpsed the wreck calmly floating by.

The mists crept up on a carpet of green,  
Dolphins and fish were nowhere to be seen,  
A large, stooping shadow hobbled out of the bay,  
It seemed a bit odd for a morning in May,  
Flashing yellow lights dazzled the rocks,  
This is a scene that nobody mocks,  
A crunching of pebbles, a horrible cackle,  
A puff of blue smoke, a fizz and a crackle,  
I quickly took flight, and in the blink of an eye,  
Was up and away, in the vast of the sky.

Dear Diary,

We have been galloping for 9 whole hours. Last night, We had loads of the sausages Rose packed. This is the name of the wood we are in: Wolf-claw Wood. At the moment it's sunny but Rose says it will rain. Suddenly a wolf shot out. It seemed to tell us to follow it. Tinker walked calmly after it (he is normally scared of wolves so it was very, very surprising indeed at the time). There was a little den of sapphire blue pups WITH WINGS!!!!!!!!!!!!!!

Suddenly the father spoke "The pups' mum has gone missing and would you help find her?" We said "yes!" instantly. As it was getting dark, Rose set up camp and I put the pups to bed very forcefully indeed. As I fell asleep I generally wondered why and how the pups mother had gone. I hope we shall soon find out. I had been asleep for approximately 4 hours when I heard a lot of squealing. I put on a dressing gown and slippers, waking Rose in the process. As me and Rose clambered out a dark shape emerged from the leafy corner...

Goodnight diary, see you tomorrow.

Thank you Alice B for the final Wolfclaw Avenue of the year.

Word of the Week!

## How to make your own pop-up holiday cards

You will need:

- 2 sheets of paper
- pens or pencils
- scissors
- glue or sellotape

Method:

Cut out a template of a pair of sunglasses and colour with a chosen pen or pencil. Next, on the card draw a face with eyes. Then stick the sunglasses on and write 'happy holidays'. Finally, write a message inside the card. Then you have your card.

What a great idea from Alice C!

# NATURAL NATURE

## Look away all you arachnaphobes!

One sunny morning we were about to get into our car to go to school and noticed loads of tiny dots on the side of the car. As we looked closer we saw it was at least 100 baby spiders! They survived the journey and were still there later on.

## Busy Bees!

Ava W 3/4H and Millie W 5/6 L saw a very busy bee when they visited The Barbara Hepworth Museum in St. Ives during the May half-term.

Great photo girls. You know we are huge bee fans!

## Hedgehog Spotting

Bethany L and Thomas & Sam H have all had prickly visitors to their gardens recently. We also had one who visited Reception last month. Here are some pictures.

## Amazing Find!

Last weekend we went camping with lots of other BPS families at Appletreewick. We had an amazing time. On the Saturday we walked to a nice pebble beach on the river and discovered a massive crayfish under a rock!

## 4-leafed clover fun facts:

- There are approximately 10,000 three-leaf clovers for every "lucky" four-leaf clover.
- There are no clover plants that naturally produce four leaves, which is why four-leaf clovers are so rare.
- The leaves of four-leaf clovers are said to stand for faith, hope, love, and luck.
- It's often said that Ireland is home to more four-leaf clovers than any other place, giving meaning to the phrase "the luck of the Irish."
- If you're lucky enough to find a four-leaf clover, look for more! If a clover plant produces a four-leaf clover, it's more likely to produce another four-leaf lucky charm than plants that only produce three-leaf clovers.
- The fourth leaf can be smaller or a different shade of green than the other three leaves.

## Lucky Bethany!!

On holiday in Northern Ireland Bethany found this four-leafed clover. Yes really! On the same day she also saw a seal in the sea so it was a really lucky day

# KINZA'S COOL COOKS

## Ella & Rosie and The Treat factory

Ella & Rosie visited the Cooplands bakery in Scarborough over the half term holiday. They were able to see the whole process for bread being made (including kneading some dough themselves!), from start to finish. The factory also produces most of the sweet treats that are sold in Cooplands' stores, so we saw chocolate flapjacks, brownies, Danish swirls and doughnuts being made, amongst many other things. The most exciting bit was at the end though, where Ella & Rosie were allowed to decorate their own biscuits, and were also given as many sweet treats as they could carry!

**That sounds amazing girls and really yummy!**
