## Personalised letters from Santa!

Click here to book [www.pta-events.co.uk/bpspta/](http://www.pta-events.co.uk/bpspta/)

We are offering **personalised letters from Santa** for the second year running. We had some great feedback last year, and we are delighted to hear that the children loved their letters. Don't worry- they will be worded differently this year for those with children who notice everything!

The letter which costs **£7.50** per child, is handwritten and is sent with a small **Christmas decoration** for your child to decorate. The letter will be delivered to your home address the last week of term.

The money raised from this and the other Christmas events will go directly towards the **iPad fund**.

We ask that you make a booking **and** complete an **online form** with your child's details.

If your child would like to post a letter to Santa, you are very welcome to use the school postbox. We can even return them to you afterwards if you would like!

This year we have decided to host a Christmas Raffle. We are asking for each house to donate prizes to make up fantastic hampers to go alongside some great prizes donated by local businesses. Please drop all donations to the school office, thank you.

*Those in **Wilberforce** will be collecting for 'movie night' hampers. We want to be able to create a trip to the cinema at home so popcorn, drinks, sweet snacks, savoury snacks would be fantastic. Maybe you've got some DVDs you're happy to donate too.*

Those in **Hepworth** will be collecting for '**afternoon tea**' hampers. Ideas include jam, chutneys, crackers, Biscuits, teabags, crisps etc. We'll be adding some freshly made scones courtesy of the girl who bakes.

Those in **Bronte** will be collecting for '**pamper night**' hampers. For example face masks, nail varnish, nail buffers, body scrubs. Maybe you'd like a glass of fizz with your treatments or a detoxing tea? How about a room spray to set the mood?

## **All the money from the Christmas events are going towards the iPad fund:**

We are aiming to fund 7 iPads (1 per year group).

Bramhope Primary School has only just started using iPads in school and there are a wealth of opportunities for the whole school to discover including;

- In **English**, they are excellent to capture children's drama and replay and analyse with the class. They can be used to create animations based on stories we are reading in class and can also be used to generate children's own books through book creator;
- For **marking and feedback**, we will be able to use them to do live marking in class linked to the smartboard;
- In **History and Geography**, we can dive into google earth, use QR codes to access quality research;
- In **Computing** we will use the iPads this year to support animation work and to enable us to better program with the Microbits;
- In **Science**, it can support recording of key observations for outdoor learning as well as with specific data logging;
- In **Music**, Garage band etc. offers excellent opportunities for generating music/mixing different instruments and rhythms.

We hope you enjoy the Christmas Events, and thank you so much for all of your support.
