# Hello Bramhope pupils!

## **Bramhope Buzz is changing!**

Bramhope Buzz was a positive response to the pandemic when we were unable to meet as a whole school community. The magazine has now run for 3 years. The team meets after school on Wednesdays originally online but now in the art room. We are always looking for new team members and any pupils from key stage 2 are welcome to join.

Since the last issue of the magazine the team have had a lot of fun thinking about different kinds of cartoons and comics. Have a look at some of the things they have been up to in this issue.

This year's Buzz team have been a pleasure to work with. They have approached each activity really enthusiastically and they always have lots of super ideas. They are supportive and respectful of each other and have been working really hard as a team.

In September the group will become the Media club rather than the magazine team. We will be thinking about media more generally: film, photography, radio, blogs, social media, zines etc. It will still be known as Bramhope Buzz. There will be some great activities planned.

# Create a superhero

We have been thinking about the comics and cartoons we enjoy. We re-read all of Maisy's Ziggy comics from previous Buzz issues. Take a look at the end of the magazine for her newest story. Mrs Judd brought in some comics and graphic novels and we had a look at those too. The Buzz team have spent time creating our own comic book characters. Whether superhero or villain we have had a lot of fun devising their looks and personality.

# Poetry week

We had a poetic interlude for a week. Having watched some films and animations about World Bee day on May 22<sup>nd</sup> we were inspired to create our bee-themed verse. We also illustrated our poems.

Buzzes all around  
 Forgets at pollinating  
 Endangered species  
 Sparkles flaps in the air

Chloe

There once was a bee named Jeremy, his family were at  
 the part of the hive. When Jeremy got back he found  
 the hive full of smart bees. When Jeremy wanted  
 to find his family and when he did find his family  
 he found them so far away. That's when  
 Jeremy screamed "SAVE THE BEES!!!" Then he burst  
 into tears.

Dig got bumble bees.  
 Eating delicious honey from the bees.  
 Select honey made by the bees.  
 Shipping from slower to slower  
 setting honey.

I know pancakes are yummy,  
 But not without honey,  
 And who delivers it,  
 The bees all real funny,  
 It gives up your time,  
 Up to the top,  
 And out of your hand,  
 Comes a great big pop,  
 The bees are all coming,  
 doing their dance,  
 But when someone sprays them,  
 They leave in a trance,  
 The bees need showers,  
 So go and get some,  
 And if you have a shower,  
 Don't give them one,  
 You could get a  
 nose or daisy,  
 And if you could,  
 It would be amazing,  
 If the bees all go,  
 You'd be lost with a storm,  
 So save the bees everyone,  
**IT'S WORLD BEE DAY NOW**

Bees are bright  
 Vika pollinates  
 Zap and thump  
 Zipping across flowers  
 Tumble insects  
 Never ending honey

# ★ Maisie's Comic Stars ★

Thank you so much for the opportunity to do another Ziggy comic! I really enjoyed creating this and I hope everyone likes it. I believe that the Buzz club gave some themes and one of them was sports, so I picked this comic to fit with that, as the Women's World Cup starts next month, and I'm going to see the Lionesses in their World Cup send-off game against Portugal next week.

Best wishes,  
Maisie :)
