\*Any vocabulary highlighted in blue will be considered 'new' vocabulary to that year group. This is new vocabulary following our lesson plans and teaching resources. We are aware that some children may have already come in to contact with, heard about or have an understanding of some of the vocabulary listed before we cover it in our class settings.

\*\*At Bramhope, we would expect that children coming into reception would already have an understanding of washing, keeping clean and brushing teeth. This is why the vocabulary has not been highlighted as new vocabulary in reception.
