We speak the same, look the same, dress the same, have the same interests, the same jobs and the same dislikes... nothing is different. That is the world that Rupert, a Huey, lives in. They	<b>PHSE</b>  Our time at home has been very strange, enjoyable and challenging at times. We are all very lucky because we have our families with us, and we have not been alone during these unprecedented times.  Over the course of this week, and during the Summer holidays, I would like you to think about others who have perhaps been alone during these times.

<p><b>Lesson 2</b> Add and Subtract Capacity</p> <p><b>Lesson 3</b> Pictograms</p> <p><b>Lesson 4</b> Bar Charts</p> <p><b>Lesson 5</b> Challenges</p>			<p>don't know any different, so don't question it, until one day, Rupert does. He decides to express himself differently to the others, making himself unique by knitting a jumper. At first, the Hueys react badly to this change, not accepting him. But as more and more people accept it, "being different was catching on". They want to join him in his mission to be different- sadly, by copying him, thus them all being the same again. Rupert doesn't give in, and thinks of a new way to make himself stand out from the crowd. His desire to be different inspires the others to express their own individuality too, so at the end, they are all different to each other, yet all still happy together.</p> <p>Read the story if you have it at home or listen to it here.</p> <p><a href="https://www.youtube.com/watch?v=H7vAbyWV0Ec">https://www.youtube.com/watch?v=H7vAbyWV0Ec</a></p> <p>Have a look at the inside front cover and inside back covers- how have the Hueys changed? Is it for good or for worse?</p>	<p>How could you cheer somebody up? How can you make them smile and feel like they are not alone?</p> <p>You could write a letter to a care home or a neighbour that lives alone or share a poem or a drawing with them.</p> <p>Do you like baking? What about baking some buns or biscuits and leaving them for a neighbour to enjoy?</p> <p>I have also attached the RESILIENCE CALENDAR for July. Can you complete any of the suggested activities?</p>

			<p>What do you think the message from Oliver Jeffers is?</p> <p>Do you think it's important for everyone to be unique?</p> <p>Why?</p> <p>What was the reaction to Rupert's individuality at different stages in the story, and how do you think that made him feel?</p> <p>Attached is a template of a Huey. This is a blank canvas for making a new Huey- a Huey of you.</p> <p>Design clothes and other items to add on to represent you.</p> <p>Do you play an instrument? What sport do you play? What's your favourite colour? The Huey should tell the story of you. It should be expressing exactly what you like and your own personal sense of identity.</p>
