

Home Learning for class: 12HP

Week beginning: 19/10/20

Our remote learning reflects our general school week.

Monday: Phonics/Spelling, English, Maths, Additional English, Big Think Assembly

Tuesday: Phonics/Spelling, English, Maths, Geography, PE

Wednesday: Art, Music, Spanish, Big Talk Assembly

Thursday: Phonics/Spelling, English, Maths, PSHE, PE

Friday: SPaG, RE, Maths, Science,

English

This week we will continue with our 'Hodgeheg' work (all required information, PowerPoints and worksheets are added to the folder).

Monday 1: Design a book cover

Monday 2: Write a blurb

Tuesday: Produce a book review

Thursday: Write descriptive setting sentences/ paragraph (extension – write it as a diary entry)

Phonics/ Spelling (please note, home spelling lists will be uploaded to the website as per usual)

Year 1 Phonics -Double letter sound 'ff' and 'll'

Please follow the daily ppt and/or sheets AND use this time to really familiarise the sounds these letters make by saying them out loud. Don't forget the importance of combining our reading and spelling in phonics with our cursive letter formations.

Mon - 'ff' sound – ppt and sheet

Tues - 'll' sound – ppt and sheet

Thurs – Revisit 'ff' and 'll' sounds – practise writing words for spellings and letter formation. Challenge – apply in sentences.

Fri – see SPaG

Year 2 Spelling – igh, ie, i_e as with year 1, also use this tie to develop cursive letter formation **with joins**.

Mon - igh

Tues - ie

Thurs - i-e

Fri – see SPaG

Grammar and Punctuation

Year 1 SPaG – Fri- Questions and question marks -a question mark can be quite tricky to produce. Have a go at forming some question marks. Can you ask some of your family members some questions? What do you notice about the starting word? Can you write some of your questions down? Maybe you could e-mail some question to me to find out a little more about me! 12hp@bramhopeprimaryschool.co.uk

Year 2 SPaG – Fri – homophones where / were / wear / we're

Maths

Year 1: Place Value and Number

Mon – Can you order number?

Tues – Can you recognise ordinal numbers?

Thurs - Can you use a numberline?

Fri – End of block assessment

Year 2: Place Value and Number

Mon – Can you count in 3s?

Tues – Can you recognise fact families – addition and subtraction bonds to 20?

Thurs - Can you check your calculations?

Fri – End of block assessment

Please see PowerPoints and worksheets in the folder.

Please see PowerPoints and worksheets in the folder.

PSHE

This week, our 'Big think' assembly is about: Harvest Assembly (see Harvest Ppt Monday)

Spanish

Practise the work you have been doing in class - saying hello, greetings, asking what you are called and counting to 10/20

Saying hello

<https://www.youtube.com/watch?v=tK0vp8LIDiM>

What are you called?

<https://www.youtube.com/watch?v=ij5R1YTG48Q>

Counting to 20

<https://www.youtube.com/watch?v=zzhHrQbHZMA>

Complete one of the counting worksheets to match your level

Music

Looking at the difference between traditional and contemporary music (see ppt)

RE

Thinking about making, writing and keeping promises (see ppt)

Art

This week, while we're apart, will be using the 'While we can't Hug' book as artistic inspiration. We will be making a hedgehog sketchbook, which you will then be able to use to draw or doodle in. You will have a link to a video of the story being read and a PowerPoint to guide you. Most importantly, have fun! We look forward to seeing your creations.

PE

It is tricky to reflect our class PE lessons at home, but we have been discussing a lot about how exercise affects our body and mind. Therefore, try to get out in the garden and have some fresh air and movement (just like you would at playtime in school) and maybe try out some of Joe Wickes exercise classes recorded from lockdown or GoNoodle dances. Take time to notice the changes in your body (and mind).
