

Collaborative Learning Trust – Vision and Aims

The Collaborative Learning Trust will be recognised as a highly successful learning community that provides outstanding, sustainable, and inclusive (non-selective) 'nursery to 19' education for young people of all abilities. Students will leave Collaborative Learning Trust (CLT) schools having enjoyed their education and developed into lifelong independent learners with the creativity, adaptability, resilience and leadership skills to contribute to, and succeed in, our 21st century society.

Collaborative Learning Trust (CLT) schools will provide:

- Safe, secure and positive learning environments where children and young people can, and do, flourish.
- High quality teaching and learning, designed to secure the 'all round' education of young people, as well as outstanding academic achievement.
- An autonomous school ethos and identity, whilst sharing core values across both church and non-church schools
- A commitment to a genuinely collaborative approach to ensure sustained school improvement
- Strong ethical leadership at all levels
- A focus on equality for all, trust, integrity, respect and an appreciation of diversity.
- A culture of aspiration and success (in pupils, staff and governance) to drive improvement in each school.
- Effective staff professional development and opportunities for excellent practitioners to develop their career
