

# Spooky Setting

I can expand a simple noun phrase.

Expanded noun phrases add information to nouns. They make your writing more interesting and can help the reader to build a picture in their minds.

Describe this spooky house.

Start with a list of nouns then expand the nouns to create descriptive sentences.

**List of nouns:** house,

---

---

---

---

**Expansion before and after the noun:**

The spooky house on the hill,

---

---

---

---

---

---

---
