

Baby Bear, Baby Bear, What Did You See?

Baby bear, baby bear, what did you see?

I saw a red fox slipping by me.

Red fox, red fox, what did you see?

I saw a flying squirrel gliding by me.

Flying squirrel, flying squirrel, what did you see?

I saw a mountain goat climbing by me.

Mountain goat, mountain goat, what did you see?

I see a blue heron flying by me.

Blue heron, blue heron, what did you see?

I saw a prairie dog digging by me.

Prairie dog, prairie dog, what did you see?

I saw a striped skunk strutting by me.

Striped skunk, striped skunk, what did you see?

I saw a mule deer running by me.

Mule deer, mule deer, what did you see?

I see a rattlesnake sliding near me.

Rattlesnake, rattlesnake, what did you see?

I see a screech owl hooting at me.

Screech owl, screech owl, what did you see?

I see a mama bear looking at me.

Mama bear, mama bear, what did you see?

I see a red fox, a flying squirrel, a mountain goat,
A blue heron, a prairie dog, a striped skunk,
a mule deer, a rattle snake, a screech owl and...
my baby bear looking at me... that's what I see!
