Extra Task

Please see the school website for information on **Awesome Animals** (*also see information in attached pdf*). This is a 3 week, **whole school writing project** (finishing on 3rd July). During the project, pupils will learn to write a page for an information book about animals. We will then be creating a gigantic book of animal facts for everyone to enjoy. Finally, pupils will help create a quiz which they and all their friends can take part in.
