

English – Reading

Can you analyse a quote? Use the four steps of quote, paraphrase, analyse and evaluate.

English – Writing

Your writing task is to compose a short piece of descriptive writing based on seeing a mysterious door through the eyes of a character.

English - Spelling

Use your vocabulary knowledge and a dictionary to write definitions of unfamiliar words.
Can you then put them in a sentence?

English – Grammar

Look at the picture of the open door. Use your knowledge of word classes to describe it.

Science

Discovering famous scientists This week you will investigate the famous materials scientist John Boyd Dunlop. Dunlop was a Scottish vet and inventor. He is best known for his work in developing the first pneumatic or inflatable tyre, a device still used today

Home discussion

What problem could you solve with the invention of a new material?

Could you create properties list for a new super material at home?

Maths - Fluency
White Rose
Week 8
<https://whiterosemaths.com/homelearning/year-6/>
Lesson 1 Solve 2 step equations
Lesson 2 Find pairs of values
Lesson 3 Convert metric measures

Maths - Problem Solving and Reasoning
Transition activity
Tessellation
See attached Powerpoint.

History/Geography
(Please see PowerPoint and activity instructions uploaded).

RE
Creation
Last week, you read a reverse creation story. It is now your turn to write your own creation story for your world.
What would you put in?
What would you leave out?

PHSE
Transition activity
You are going to design a fantasy character. They can be a hero, a sidekick or a mentor. They could also be from a high fantasy universe, or a low fantasy one.

<p>Lesson 4 Miles and kilometres Lesson 5 Challenges</p>		 <p>This week you will be exploring the reasons for urbanisation in Brazil. You will be considering the push / pull factors as to why people decide to relocate from the countryside to the city.</p>	<p>What would your world look like?</p> 	<p>See attached Powerpoint.</p>
<p>Computing <u>Create your own Starwars Game</u> Using block programming, follow the instructions to create a Starwars game. https://code.org/starwars</p>	<p>Spanish Sunday 21st June is Father's Day. Make your Dad or Grandad a Father's Day card and write it in Spanish. On the front it should say: Feliz Día del Padre, Happy Father's Day. Inside, you could write: Querido Papá, te quiero, besos...your name. If it's for your Granddad, it should start; Querido abuelo. This means: To/dear Daddy, I love you, love from...</p>	<p>Music BBC Ten Pieces Modest Mussorgsky</p> <p>LC: Can you recognise rhythm and pitch?</p> <p>Read the musical terms.</p> <p>Watch the orchestral performance.</p> <p>https://www.bbc.co.uk/programmes/p02b5dmy</p> <p>Learn the simple tune.</p> <p>Then add lyrics to the tune.</p> <p>Think about rhythm and pitch.</p> <p>Add footsteps to the tune.</p> <p>Thinking about the soundscape you created last week. Draw a spooky picture to describe the story of 'Night</p>	<p>Art/DT <u>Father's Day Nature Card</u></p> <p>Linking to our Andy Goldsworthy art from a couple of weeks ago, have a go at making your own nature-inspired Father's Day Card. View the PowerPoint for examples. There is a tree template provided to print out to help you if you need it.</p>	<p>PE Practise cricket fielding skills using the Chance to Shine coaching video. Try both tasks to improve your ability to track a ball in flight. You should try the tasks on at least three days throughout the week in order to see an improvement.</p> <p>https://youtu.be/1pUilVjuLOI</p> <p>See Cricket PDF if you are unable to watch the short video.</p>

		on the bare Mountain'. <i>(Please see PowerPoint uploaded).</i>
