

Bramhope Primary School - Home Learning Grid		Year: 2	Date: w/c 29 June	
English -Reading This week's Year 2 Reading is a copy of a SATS Reading Paper 1 (from 2019). This shows you the type of test your child would have done at the end of Key Stage 1 and the sort of comprehension tasks and questions we work on throughout Key Stage 1. Have a go at paper 1. All the reading information and the questions are all in the same booklet for this paper. A mark scheme has been uploaded. Please note, Paper 2 will be next week's Reading home learning.	English – Writing This week, we continue with our work about 'The Day the Crayon Quit' . We will use the text to support us as we: -Revisit alliteration and similes. -Learn about speech and presenting this in speech bubbles and speech punctuation. -Recap powerful verbs and adverbs as we use these alongside our speech. <i>Please see attached PowerPoint and sheets.</i>	English - Spelling Revise Spring 1 & 2 Common Exception Words (See attached sheet)	English – SPaG Grammar Activity – Possessive Apostrophes https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zy9ydxs Possessive Apostrophes It shows a relationship of belonging between one thing and another. Use an apostrophe + s ('s) to show that one person/thing owns or is a member of something. Use an apostrophe after the "s" at the end of a plural noun to show possession. (Please see worksheet attached).	Science How do humans change and grow? In this lesson we will look at the different stages of growth and development. We will be able to recognise, name and order these different stages of growth and state some of the key facts about each stage. See attached PowerPoint . Activity: Create a timeline of change and growth (see ppt for further detail).
Maths -Fluency Mathletics: Revisit two assigned tasks: <ul style="list-style-type: none">• How heavy is it?• How full? These need to be completed before you can access others. TT Rock Stars Continue 10x 2x 5x 3x 4x	Maths – Problem Solving and Reasoning White Rose Home Learning Summer Term Week 10: Measuring mass and volume. https://whiterosemaths.com/homelearning/year-2/ Lesson 1: Measure	Geography LC: Can you draw a sketch map of your local area? Sketch Maps An outline map drawn from observation rather than from exact survey measurements and showing only the main features of the area. Activity: Drawing a sketch map of your local area. Extension Activity: Draw a simple sketch map to show a	RE L.C. How can we help to protect the planet? http://www.recycling-guide.org.uk/rrr.html Look on this website and talk about reduce, reuse and recycle. Look on YouTube at recycling glass, the recycling depot etc. Your task is to design a poster to tell people how they can help to look after our planet - reduce reuse	PHSE Taking Care of Ourselves Over the past few weeks we have thought about the importance of looking after ourselves. We have considered things like a balanced diet, exercise, personal

	<p>mass in grams</p> <p>Lesson 2: Measure mass in kilograms</p> <p>Lesson 3: Compare volume</p> <p>Lesson 4: Millilitres</p> <p>NB: The worksheets sheets for each lesson are uploaded with this week's resources.</p>	<p>particular route.</p> <p><i>(Please see PowerPoint and worksheets attached).</i></p> <p>Test your knowledge of the world!</p> <p>https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/znm7vk7</p>	<p>recycle!</p>	<p>hygiene and preventing the spread of germs.</p> <p>The <i>attached PowerPoint 'Looking after me'</i> summarises these points and also mentions the importance of our feelings.</p> <p>Sometimes, if we are feeling a little sad or have a lack of self-esteem, we need reminding about the things that we are good at. This can help us to feel better about ourselves. In this week's video, we tell you a little bit out our 'Positive Chains'. Have a go at making a chain of your own.</p>
